International Conference On Information Systems And Communication Technologies

June 26-28, 2025, Larache, Morocco

Call for Paper

The International Conference on Information Systems and Communication Technologies (ICISCT) is a forum for sharing research on information systems, communication technologies, and related fields. It focuses on trends like data analytics, AI, and cybersecurity. The event fosters collaboration across disciplines, promoting innovative solutions to modern technological challenges.

Keynote Speakers

Pr. Mohamed ESSAIDI, ENSIAS, Morocco
Title: Unlocking Smart Cities: Driving Sustainable Development for the Future.

Pr. Almudena Suárez, ETSIT UC, Spain
Title: Efficient Analysis of Compact Oscillator-Based Implementations in RFID Readers, Self-Injection-Locked Radar, and Wireless Power.

Dr. Eng. Ahmed Boutejdar, DFG, Braunschweig-Bonn, Germany
Title: Design and Experimental Investigation of Compact Filter-Antenna for modern wireless communication systems.

Pr. Mohamed Et-tolba, INPT, Morocco
Title: The 5G ecosystem – Deployment and opportunities in the Moroccan context.

General Chairs

- Pr. Larbi Setti, Abdelmalek Essaadi University, Morocco
- Pr. Abdelwahed Tribak, INPT, Morocco
- Pr. Jaouad Terhzaz, CRMEF-CS, Morocco
- Pr. Otman El mrabet, Abdelmalek Essaadi University, Morocco

Tracks

- TRACK 1:** Wireless Communication And Smart Systems.
- TRACK 2:** Electronics, Automation, And Embedded Systems.
- TRACK 3:** Material Physics.
- TRACK 4:** Smart Grid And Renewable Energy.
- TRACK 5:** Computer Science And Information Technology.

Important Dates

- Paper Submission Deadline:
April 1ST, 2025
- Notification of Acceptance:
April 15TH, 2025
- Camera-Ready Paper Submission:
May 31ST, 2025

Publication

All accepted papers will be published in the conference proceedings with ISBN number indexed in Scopus or published in special issues of indexed journal.
